Moving Home

February 2010

Moving home

This leaflet gives you information about how to end your tenancy and the things you will need to do before your tenancy ends. We have introduced a £100 'thank you bonus scheme' to reward our customers who leave their home in a good condition and follow our end of tenancy procedure.

Giving notice

If you want to end your tenancy you will need to give us notice in writing. If you have a weekly tenancy, you must give us **four weeks** notice, starting on a Monday. If you have a monthly tenancy, you must give us one calendar month's notice. You must also provide a forwarding address.

Once we have received your notice, we will send you a letter confirming the end date of your tenancy and a date for the end of tenancy visit. You will still be responsible for keeping to the terms of the tenancy contract during your notice period.

If you do not give us proper notice to end your tenancy, you will still be responsible for paying the rent even after you have left.

End of tenancy visit

We will visit you at your home to explain what you need to do before your tenancy ends. We will survey your home and discuss with you any repairs that are your responsibility, and explain the standard needed to meet the thank you bonus. This includes your responsibility for leaving your home in a clean condition and free of all furniture, carpets and rubbish.

We will also talk to you about your rent account to make sure your account will be clear at the end of your tenancy.

We will ask you for other details, such as the name of your gas and electricity suppliers, and the days when your household rubbish is collected.

Thank you bonus

If you hand back the tenancy in the way that we ask, we will give you £100 in vouchers. A leaflet explaining the scheme is enclosed.

Leaving your home in a clean and tidy condition

Please make sure that before you leave your home you have:

- removed all furniture and possessions from your home, including items in your loft, carpets, laminated flooring, curtains and curtain poles
- cleaned the property throughout
- removed any personal items from the garden and left it in a tidy condition
- removed any non standard light fittings
- removed and made good connections to washing machines and cookers.

Recharges

Before you leave your home we will carry out a survey to see if your home is in an acceptable condition.

If you have damaged your home, or it is not in reasonable decorative order, we will ask you to put this right before you leave.

When you return your keys we will carry out a full survey of your home and recharge you for any repairs that are your responsibility and for removing any items that you leave behind. In some cases we may apply for a court order to recover our costs.

A list of standard rechargeable costs is set out below for your information:

Your rent account and other debt

We will let you know if you owe us any money at the end of your tenancy and this should be paid in full before you leave. If you are claiming housing benefit you should check that this is paid until the end of the tenancy. If you have to move out to start a new tenancy before your current tenancy has ended, you may be able to apply for benefit on both homes. You should contact your local housing benefit office for more information on how to claim.

If you owe any money and are eligible for our thank you bonus we will deduct the money owed before sending you any vouchers.

If you still have an outstanding debt please contact us to make an agreement to pay. If you do not keep to this agreement, our Income Team will take further action to recover the money.

If you have outstanding debts with us, this may prevent you from being considered for re-housing in the future, by Longhurst & Havelok Homes and other housing providers.

Alterations to your home

If you have made minor alterations to your home, we may ask you to put it back to its original condition. This will depend on the suitability of the alterations for future tenants, the condition of the works, and the likely cost to us of future maintenance.

If we ask you to do this and the work has not been completed before you leave, we will recharge you for any works that need to be done.

Compensation for improvements

If we granted you permission to make any alterations to your home during your tenancy, you may be eligible for compensation. Please ask us for more details. Compensation is normally only paid for major alterations such as installing a new kitchen or bathroom.

Re-letting your home

As soon as we receive your tenancy notice, we will start to find a new tenant for the property. To help us with this process, we ask you to allow us to show prospective tenants around your home during your notice period. This is a condition of the thank you bonus.
